Description:

Las Palmas is a fully gated/walled beachfront community that has only 37 lots.

The lots available average between 1,250 - 1,500 mt2 and are ON THE BEACH! Lot measurements are typically 25 x 50 meters or more.

Las Palmas is an established community of expats that have mostly been living in Ecuador for more than a year and are happy to welcome in new neighbors. The community itself originally sold out in 2012. The lots being offered currently are by an expat couple who no longer can stay in Ecuador do to health issues.
